

## Non-GMO Project Product Verification Program

FoodChain ID makes verification fast and simple. Having verified 3 out of 4 of all Non-GMO products sold today for companies of every size, we have developed systems and procedures that encompass the highest levels of efficiency. And our convenient online database removes as much of the burden for you as possible, making annual renewals fast and easy.

### ANNUAL PRICING

#### Product Fees

\$999 for annual enrollment/renewal

\$999 total verification fee for the first 1-10 products

*For 11 or more products call 866-440-3242 (option 3) for a customized quote.*

#### Non-GMO Project's Administration Fee

\$50 per product

#### Facility/Co-Packer Fee

\$349 per location

Additional discounts and fees may apply based on ingredient type and risk profile, inspections or testing if required, and expedited service if requested.
