Where Food Comes From
Non-GMO Project Pricing

Where Food Comes From, Inc. is a Technical Administrator (TA) for the Non-GMO Project, approved to provide verification services for all types of products. As the North American leader in third-party verification, we offer a wide array of services to help food producers and brands differentiate certain attributes and production methods in the marketplace. Be sure to visit wherefoodcomesfrom.com for additional program bundling opportunities like Organic Certification, Gluten-Free, Safe Quality Food, Upcycled Certification™, and so much more. **Why have multiple audits throughout the year when you can get everything done in one visit?**

Verification Fees
New Client Application Fee..$250
This is not a fee for cost estimates – all cost estimates and contract development work are complimentary
This fee only applies for new clients with signed agreements for Non-GMO Project verification.

Product(s) Review (annual fees)
"Product(s)" are defined as each individual product submitted for the Non-GMO Project Verification Program, including both multi-ingredient and/or bulk products without labels. "High Risk Ingredients" are crops, livestock, processed/processing inputs, production inputs, and other organisms with known GMO risk.

Enrolled Products

Enrolled Products	
1-5 Products	$1,250
Each Additional Product	$100
Non-GMO Project Fee	$105 per Product
High-Risk Product Ingredient	$50 per Ingredient

Additional Fees for Animal Derived Products

"Animal Derived" products typically contain meat, seafood, dairy or eggs. Verification includes feedstuffs the animals consume. Onsite evaluations are often required for livestock production systems; see below for Onsite Verification Fees.

Additional Fees for Animal Derived Products	
Feed Ration Review	$300
Feed Ration Change Review	$50

Evaluation Fees (annual fees)**
Onsite Verification Fee..$1500 / location + travel
--OR $250 addendum fee for onsite verification already scheduled for additional claims

Offsite Desk Review Fee...$500 / location
The "Offsite Desk Review" is also called a "Facility Fee". This includes process, document/record and product traceability review.
**Multi-site and/or group verifications quoted upon request

Additional Fees (if applicable)**
Technical Support...$250 / hour
"Technical Support" includes consulting or any other activity that occurs outside of the scope of the standard agreement.

Priority Rush Fees...Request Quote

Product Testing..Varies by Lab
"Product Testing" refers to any lab analysis. If required, testing must be carried out and paid for by the client.
